A Study of the Exodus from Egypt

# BIRTH OF MOSES

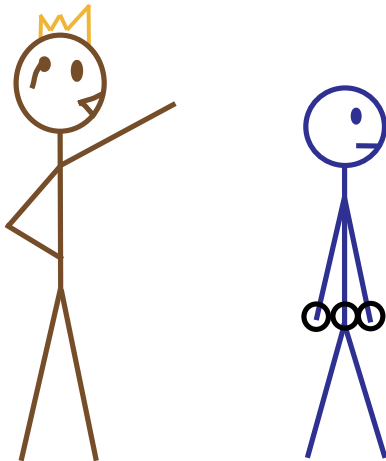

Memory Verse: Exodus 2:10

## The Children of Israel

**Read aloud:** Exodus 1:1-7

**Discuss The Children of Israel:** The book of Genesis ends with the children of Israel entering Egypt followed by the death of Joseph. The book of Exodus begins by reviewing these facts and telling us about the growth of the Hebrew population while they lived in Egypt.

**Draw and have students draw:** Write the number 70 with faces surrounding it.

## Slavery in Egypt

**Read aloud:** Exodus 1:8-14

**Discuss Slavery in Egypt:** When a new king (later called Pharaoh) ascended the throne, he saw the Hebrews as a threat to his kingdom. At some point after the death of Joseph, the children of Israel became slaves in Egypt. They built cities and grew mighty, but they suffered as slaves in the land of Egypt.

**Draw and have students draw:** A king with slaves walking before him.

Look up the following words in a Bible dictionary:

Shrewdly (Exodus 1:10)

Rigor (Exodus 1:13)

Midwives (Exodus 1:15)

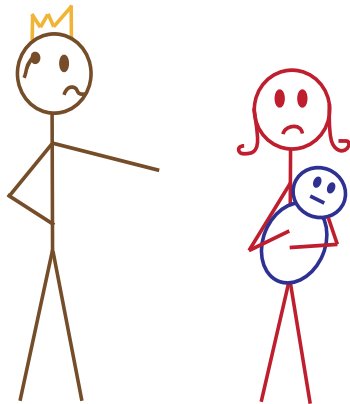

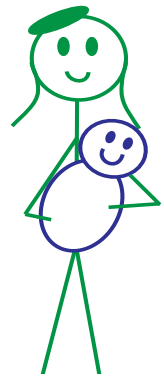

Feared (Exodus 1:21)

## The Midwives

**Read aloud:** Exodus 1:15-17

**Discuss The Midwives:** The king continued to fear the children of Israel, so he brought in the midwives and instructed them to kill the newborn sons of the Hebrews. The midwives made a conscious decision to disobey the king and let the boy babies live.

**Draw and have students draw:** A woman holding a male baby.

## Pharaoh's Command

**Read aloud:** Exodus 1:18-22

**Discuss Pharaoh's Command:** When Pharaoh discovered his plan was not working, he then extended his command to kill all the male babies to the entire kingdom.

**Draw and have students draw:** The Pharaoh giving an order to a woman that is holding a baby boy and crying.

## Moses Was Hidden

**Read aloud:** Exodus 2:1-4

**Discuss Moses Was Hidden:** During the time when the Pharaoh had commanded all the male children to be murdered, Moses was born. When Moses was three months old, his mother devised a plan to save him from certain death. She placed him in a water-proof basket and put him in the river. Miriam, Moses' older sister, watched over the basket as it floated down the river.

**Draw and have students draw:** Miriam watching the basket go down the river.

---

## Pharaoh's Daughter

**Read aloud:** Exodus 2:5-6

**Discuss Pharaoh's Daughter:** As the basket floated down the river, it was spotted by Pharaoh's daughter. Pharaoh's daughter opened the basket and found baby Moses crying. She knew it was a Hebrew baby placed in the basket to save his life.

**Draw and have students draw:** Pharaoh's daughter holding Moses at the water's edge.

---

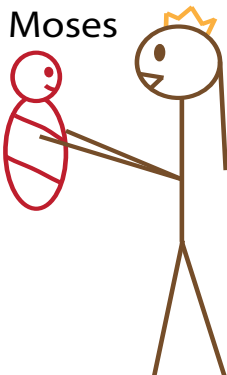

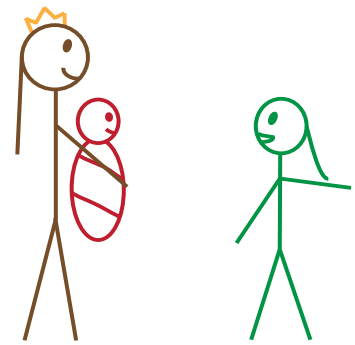

Teacher Notes:

## Pharaoh's Daughter Adopted Moses

**Read aloud:** Exodus 2:7-9

**Discuss Pharaoh's Daughter Adopted Moses:** Pharaoh's daughter immediately decided to adopt Moses. Miriam, who had been following the basket down the river, offered to find a nurse for the baby. Pharaoh's daughter chose to have Moses' mother care for him.

**Draw and have students draw:** Pharaoh's daughter holding Moses and talking to Miriam.

## Moses Was Named

**Read aloud:** Exodus 2:10

**Discuss Moses Was Named:** In addition to arranging the care of the baby, Pharaoh's daughter gave Moses his name.

**Draw and have students draw:** Pharaoh's daughter naming Moses.
